

Curriculum Development In Language Teaching

[DOWNLOAD HERE](#)

This text provides a systematic introduction to the issues involved in planning, developing, and managing effective language programs. This text provides a systematic introduction to the issues involved in planning, developing, and managing effective language programs. The paperback edition provides a systematic introduction to the issues involved in developing, managing, and evaluating effective second and foreign language programs and teaching materials. Key stages in the curriculum development process are examined, including situation analysis, needs analysis, goal setting, syllabus design, materials development and adaptation, teaching and teacher support, and evaluation. Discussion activities throughout the book enable it to be used as a reference text for teachers and administrators. EAN/ISBN : 9780511500442 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Richards, Jack C.
