Cutting Loose By Lise Fuller Once Burned. Reserved zoologist Miranda Harper would do anything to avoid dating a jock, especially the self-absorbed athletes sent by her wilder young sister, Danielle. Yet when the zoo's administrator threatens to sell her favorite chimp, Mira needs the clout only her sister's ad agency can bring. Dani agrees - with a catch long enough to make a wide receiver proud. Mira must run wild with her for seven full days and lend her voice to a new commercial. Problem is, Mira has to work with Dani's ex-pro football-playing boss, a man she's determined to avoid yet who fires her libido like no other. When her sister entrusts the job of "going wild" to her hunky boss, heat broils between them, and Mira is forced to face her greatest torment - her latent sexuality. Twice Shy. Gary Staunton's biggest deal to date depends on the Mira's sexy voice. But his concentration with the job shatters around her and his desire for her lush body leads him astray. He's damaged property. She deserves better. But when Mira switches the deal from platonic involvement to passionate encounter, Gary can't resist temptation, risking the future of his firm - and his ego
