

Ethics And War - Steven P. Lee

[DOWNLOAD HERE](#)

What are the ethical principles underpinning the idea of a just war and how should they be adapted to changing social and military circumstances? In this book, Steven P. Lee presents the basic principles of just war theory, showing how they evolved historically and how they are applied today in global relations. He examines the role of state sovereignty and individual human rights in the moral foundations of just war theory and discusses a wide range of topics including humanitarian intervention, preventive war, the moral status of civilians and enemy combatants, civil war and terrorism. He shows how just war theory relates to both pacifism and realism. Finally, he considers the future of war and the prospects for its obsolescence. His clear and wide-ranging discussion, richly illustrated with examples, will be invaluable for students and other readers interested in the ethical challenges posed by the changing nature of war. Author: Lee, Steven P. Publisher: Cambridge University Press Illustration: N Language: ENG Title: Ethics and War Pages: 00344 (Encrypted PDF) On Sale: 2011-12-31 SKU-13/ISBN: 9780521898836 Category: Philosophy : Political
