Raw energy, virtuosic improvisation, and dreamlike sonic landscapes. 5 MP3 Songs JAZZ: Jazz Fusion, ELECTRONIC: Ambient Details: "Amphis-Baena is a trio of accomplished musicians framing excogitation, ambient reverberations and newness... [fleeting] is intense under its own input but also purified and serene, conveying a kind of jazz Zen." - Jazzreview.com AMPHIS-BAENA (pronounced am-fis bay-nuh) performs distinctive, creative music that blends elements of Scandinavian Pop, Improvisation, and Electronica. Their lyrical melodies, heavy grooves and ambient textures have been called "jazz for people who hate jazz." The members of Amphis-Bna met while studying at the New England Conservatory, and have performed/recorded with John Scofield, Ralph Alessi, and Dr. Lonnie Smith among others. They have opened for Kneebody, and performed at New Yorks Knitting Factory and Ryles Jazz Club in Boston as well as many other venues throughout the East Coast. Brian Scherman - alto sax, electronic effects Jarrett Cherner - keyboards Adam Clark - drums, handsonic
