This album punches through musical barriers blending hard driving rock, acoustic folk and emo - indie pop. Truly a creative soundtrack for your listening pleasure. 14 MP3 Songs ROCK: Modern Rock, ROCK: Emo Details: Get ready for a musical journey. On his first full length CD in three years, "Released : Songs of Faith and Fury", Benjamin Payne explores various musical styles while blending them altogether into this "sure to please", modern-rock meets indie-pop gem. Drawing on diverse influences, "Released..." moves seamlessly from one song to the next, progressing as a soundtrack rather than simply a CD full of songs. Hook heavy and vocally rich, Benjamin lays out a sonic landscape of exploding drums, melodic bass and electric guitars along with piano, organ and strings to create a fortress of sound. Dynamic songs of "faith" and energetic songs of "fury" make this charismatic album a win-win for any listener ... enjoy!
