

Mp3 Chill - Million Dollar Man

[DOWNLOAD HERE](#)

Rap Music from the Dirty South. A real steet sound. Chill's style can be compared to Young Jeezy and Trick Daddy. 18 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hip Hop Details: Chill is back with the Million Dollar Man. This album has great potential. How many independent artist are respected enough in the game to get featured artist such as Smoke from Field Mob, Gucci Mane, 334 Mobb who just signed with Def Jam, Mr. Magic formally of No Limit now with Roy Jones Jr. label Body Head Ent., and Blood Raw who has signed with Young Jeezy's CTE to be featured on their album without having a major deal. The streets are talking; Chill is the next to blow. Chill has also been featured in Ozone Magazine as well as Hood Magazine. Look for Chill to do great things in 2006. He is already in the studio working on his next album which is titled Business Never Personal.
