Uniquely and richly blends body percussion, drums and vocals. Drawing on both contemporary and ancient North African, Middle Eastern, jazz and blues rhythms. 8 MP3 Songs WORLD: World Fusion, WORLD: Middle East Details: COMING HOME is Debbie Fier's most recent compilation of 8 original songs that uniquely and richly blends body percussion, drums and vocals. Drawing on both contemporary and ancient North African, Middle Eastern, jazz and blues rhythms, Fier's richly textured and melodic layering of instrumental and vocal sounds leads listeners on an exciting journey. It taps into the universal healing energy of imagination and music, connects us with each other, and ultimately returns us to our hearts. COMING HOME is about returning to one's deepest most authentic self - being connected to self, community and spirit - finding home inside ourselves wherever we may be and whatever is happening around us. Fier has spent over 20 years teaching and performing music - in the US and in Europe. She has long focused on the healing aspects of sound and music and the deep ways that music connects us. Dance on the edge and find your way home!
