NueVision JAZZ. Crisp, Full, Orchestrated w/ a taste of FUNK Huck-a-Buck 9 MP3 Songs JAZZ: Free Jazz, EASY LISTENING: Mood Music Details: Born in 1955 and raised on cornbread, greens and fried chicken, this country boy has come full circle. Fargo, Arkansas is home but now he calls Colorado his 'back home' spot. After living in Hawaii "again" from 1999 to 2003, and basically calling it quits with his music career, he began writing again in 2003 thanks in part to a birthday party early in that year in Hawaii at the home of one of his long time friends and musician buddies. The focus now is on 'Slick/Smooth Jazz'. Classically trained on oboe and credited with being one of the youngest members of The Arkansas Symphony Orchestra at the age of 13, E.L. retired from ALL performing including [playing saxes and keyboards] back in 1991 after over 40 years and now enjoys his time with his wife and soulmate Debra. Between 1976-1991 E.L. was Bandleader/Manager of several Top 40/R&B Bands performing in the U.S., Hawaii, Guam, The Phillipines, Korea, Japan, Okinawa, Puerto Rico, Guantanamo Bay Cuba and Panama. He has come out of retirement to play soprano sax on his compositions. The music he writes is not mainstream smooth jazz but is a combination of many aspects of the jazz genre. The music moves the soul and enlightens the mind. This is his passion! {Additional Music Studies} University of Arkansas @ Little Rock, Ar. Berklee College of Music Boston, Mass.
