Urban/R&B 11 MP3 Songs URBAN/R&B: R&B Pop Crossover, ELECTRONIC: Pop Crossover Details: My purpose in life is to transmute from the darkness to the light and be a star. Searching for that inner-G. 7 and 11 are lucky numbers that play a role in this artists life and existence. "G" is the 7th letter of the alphabet. This artists full name is Gregory Lawrence Dillard. 7 letters in his first name and 7 in his last name. And when you add the number of letters in all three names you get 22 letters. And when you divide that by 2, you get 11. Born May 17th (add it up 5+17) in Detroit, MI (313 area code) this singer, songwriter, producer, composer was pretty much born to make music. He has been in several groups throughout his career with the most famous being "T-Spoon", an Euro-dance group from the Netherlands in which he was vocalist, rapper and lyricist. Also, while with "T-Spoon" "G" has performed in Japan, Thailand, Singapore, the Phillipines, the UK, Spain, Kosovo, and the Netherlands as co-lead vocalist. "G" made 3 music videos with "T-Spoon"; SUMMER LOVE (shot in Hawaii), GOT 2 GET YOU BACK (shot in Amsterdam), and DELICIOUS (shot in Thailand). "G" is now releasing his solo project entitled "Inner-G". It is a collection of songs that were composed in 2005-2006 and is now available on CD BABY, a huge independent music distributor, as well as other outlets. "G" has traveled around the world and has touched a lot of people musically and spiritually. He is a conscious Light Being who loves and believes in the Law of 1. He is learning from Light Beings and that carries over into his music. His music is considered a R&B-Pop Crossover that you can "feel in your soul". His music reveals that he knows the answer to the question "Where do name and form cease?" It's knowing that man is a star bound to a body until, in the end, he is freed through his strife. Only by struggle and toiling his utmost, shall the star within bloom, out in NEW LIFE. He who knows the commencement of all things free is his star from the realm of night. "G" is looking forward to hearing reaction from the public, as well as suggestions, on his new

project. He will be performing in the near future. Light attracts light, so he will see fellow Light Beings, both teachers and students, in the near future. So, enjoy the music of this unique artist; 11 songs straight from his heart. And always stay on the pathway that leads to that "Inner-G". Peace and love from Gregory Lawrence Dillard a.k.a....."G".
