Deep songs that evoke the feminine mysteries of life; percussion with a lot of strings. Nominated for an Indie Award. 6 MP3 Songs WORLD: World Fusion, NEW AGE: Ambient Details: Nominated for an INDIE award, this album weaves a seductive web of mystery that seems to come from an ancient time. The strong rhythmic foundation is spiced with riffs from violins, synthesizers, guitars, bass, harp and vocals. This is exotic, sensual, dreamy night music. As one critic noted, Gabrielle Roth is the only woman in America making tribal, ambient music and she's been doing it for over 20 years.
