Stories for grown-ups to help you remember why stories matter; there is so much more than once upon a time. Powerful, unexpected and lyrical. 5 MP3 Songs SPOKEN WORD: Poetry, SPOKEN WORD: Audiobook Details: When Laura tells stories, people listen. Her stories are at once contemporary and ancient. They enchant, entertain and enthrall, transfixing and transporting listeners. Laura is a most remarkable storyteller. She has a marvelous instinct for telling stories that transcend time and space in the tradition of the ancient bards. She is a treasure. Brother Blue (Dr. Hugh Morgan Hill) When Laura tells stories, people are transformed. Her stories bring listeners into the truths, mysteries and wonders that lie in their own hearts. Laura Packer weaves her stories from threads spun from her heart. They are intimate, powerful, and resonate within the truth of myths. Raelinda Woad, Club Passim When Laura tells stories, the world vanishes and you find yourself in a new place. You can taste the mangoes, feel the ocean, hear the waves and know you will make it home safe again. Stunning - Jay OCallahan When Laura tells stories, you discover that your whole life is an adventure and a story, just waiting to be told. A Passion of Stories collects four original stories, recorded in the studio in front of a live audience, and one classic. The stories are moving, funny and imaginative. Each story stands alone, but leads into the next, creating a coherent listening experience.
