An exciting Modern Rock band with driving guitar and melodic vocals 12 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: This self-titled indie release by the New York based Lesser Green is packed with rich textures, driving guitars, and melodic vocals with strong hooks. The lyrical wanderings of singer/guitarist Bryan Horvath are thought provoking and provocative. The Band has been creating a buzz on the East coast and in the Midwest as they've toured in support of this Album. A nation wide tour is in the works. Reviewer Tony Carbome commented: "Although super-star status is in the back of every musicians mind, this debut album of Lesser Green is a progressive ascension toward the attainable." "The event that is Lesser Green is something I could not part from without carrying a part of them home. It is something to tie me over until the next time we meet."
