Jazzie likes to spend her free time with her family. Derek Conway,- He is the engineer, keyboardist and drummer for LOJ. He is the cousin of Tony Jasmine and a very important member of L.O.J. He raps and occasionally does background on a few tracks. He also produced some of the best songs on the album. Lions of Judah, LOJ, This brother and sister duo started singing together in 1995 as L.O.J. The children of a strong Pastor and 1st Lady(Anthony E. Conway Sr. Gwendolyn S. Conway), they understand that the Lord comes first in everything that they do. They grew up in a very powerful music ministry in Church of the Redeemed of the Lord of Baltimore, MD under the leadership of Bishop Jerome Stokes where they were taught there beautiful craft of music such as singing and playing instruments. After about six years of training their father started a ministry in Panola, Alabama where they began to discovered their song-writing ability. They began to see how effective their own original music was on the listeners. After three years of experience in Alabama the Lord called them to start ministry in Griffin, GA where they exercise their gift at their fathers ministry on a regular bases. Because of the incredible gift

that the Lord has bestowed upon them, they remind you of just how wonderful the Lord is each and every time that they perform. Tony started a small zealous group of people in his father's ministry called C.R.L. Ensemble to singing for the Lord in 1997. Over a period of about eight years they grew in number as well as experience and began to do background for Tony and Jasmine(L.O.J.). In April 2005, L.O.J. C.R.L. Ensemble released their first album "A Sinner's Story". On April 9th 2005 they performed on channel 33 for the Boys Girls Club at the West Georgia Tech College in LaGrange, GA. Their vision is to bridge the gap between race, creed, and religion through gospel music. They want to complete the vision through their music and change gospel music forever.
