Interesting styles of electronic music with a range a various influences while incorporating the acoustic qualities of the piano. 12 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Down Tempo Details: New Era was created with the inspirations of various styles and genres of music in mind. With lukes love of music and interest in technology, 'New Era' is very fitting for the theme of futuristic. Luke Waier is a young musician/composer in the Kansas City, Missouri area. Luke spent one busy summer creating New Era at the age of 16, and is now distributing it. Luke has been involved with music for as long as he can remember. As a baby, Luke would have headphones placed on his head with classical music playing to help him sleep. Now, Lukes love for music has only continued to expand as he plays the piano for hours every other day without reading a note. Luke plans to attend Music Tech College in Saint Paul, Minnesota after highschool, but first, he will release his next CD.
