This is modern Electric Live Blues at its' best. It swings, it rocks, and it really grooves. Great piano, harmonica work and singing throughout. 14 MP3 Songs BLUES: Electric Blues, BLUES: Chicago Style Details: Following up their very successful 2004 Studio CD Drivin' On Home, Mudfork Blues announces the release of their River Cities Live Album. Recorded live on location in the Ohio river cities of Parkersburg, WV; Marietta, OH and Pomeroy, OH; River Cities Live captures the energy of Mudfork Blues that before could only be experienced at one of their shows. Completion of this album took nearly a year with hours of recordings in nearly a dozen locations paired down to the final 14 selections. The albums 14 tracks were all recorded direct to digital with only final equalization and mastering added to give a uniform finish to the entire project. No over-dubs, No punch-ins, just crisp and clean electric blues at its best....Live. If you like mesmerizing vocals, riffy guitar work, lighting keys, solid bass foundations, kickin' bass drum and happy harps, River Cities Live is the disc for you. The quintessential blues band, Mudfork Blues has shared the stage with the likes of Joe Bonamassa, Lil' Ed and the Blues Imperials, Johnny Rawls, and Tommy Castro to name a few. Now you can take a Mudfork show to your home with the release of River Cities Live.
