Combining soul, pop, and R&B, the singer, and saxman is well liked for his smooth styles on classic tunes. 10 MP3 Songs EASY LISTENING: Crooners/Vocals, EASY LISTENING: Love Songs Details: The satiny, seductive notes that roll out of Nat Brown's saxophone and voice prove at least one thing: music can be sexy without visual aids a'la MTV. Nat's relaxed vocal style and come-hither way with the horn conjure up images of candlelight, glistening skin, and an unmistakable glance. Gathering together elements of R&B, soul, pop, Nat takes his cue from the likes of Sam Cooke, Lou Rawls, and Jackie Wilson, his idols. But chances are, he doesn't do it their way. Drawing together elements of soul, pop, and rhythm and blues, Nat Brown the singer/sax player has become well-liked for his smooth stylings on classic songs. With casual ease Nat plays and sings many songs from the 50's, 60's, and 70's (plus a few originals) and has been featured on radio and television shows throughout California. Having shared the stage with Little Richard, Etta James, The Coasters, and Larry Lester in earlier days, it's no wonder Nat is reaching for the stars.
