Great contemporary christian pop along with hints of Gospel and R&B. Over all it's inspirational 12 MP3 Songs POP: 90's Pop, GOSPEL: Contemporary Gospel Details: As a 15 year old, my youth group volunteered me to lead worship on Sunday mornings. Beside the typical teenage fantasy of being a famous musician, I really had no realistic music plans. Little did I realize what lay ahead... While chasing my dreams at APU, the Lord blessed me with opportunities to sing and travel with the Dove award winning and Grammy nominated school of music groups. Soon offers came from local youth groups to be a guest worship leader. When I was invited to lead worship at the Mexico outreach base camp of 3,000, I could no longer ignore that God was opening doors for something only He could make possible...an actual music career. Now I travel to churches, youth events, camps, and conferences the world over, leading worship and giving concerts. Playing keyboards and guitar, I long to share with young people of all ages the love God has for them. I count it a privilege to join hands in leading worship and praise for our Lord and Savior, Jesus Christ.
