Through her anointed songs and lyrics, God has truly given to her the vehicle to reach others in a most special way. Rita sings and performs knowing always that wherever she stands, she does not stand alone, for her creator holds her hand as He walks every step of her course with her. Ritas ministry focus is in being a vessel that is used to bring restoration to the body of Christ and the world that surrounds us. She has been known to cross the gap between different Christian denominations, because the common ground is a devotion, a love and worship for Jesus. Rita bases the future of her ministry first and foremost in Christ and in the following scripture Isaiah 49:6 It is too small a thing for you to be my servant to restore the tribes of Jacob and bring back those of Israel I have kept. I will make you a light for the Gentiles that you may bring my salvation to the ends of the earth. She states, I want to see my music not only speak to the needs of Christians, but to the needs of mankind. Theres a hurting world out there and I will go forth in the mighty Name of Jesus, so that the nations will arise and give glory to God on high.
