raw uncut roadhouse country blues... Lost and dangerous, searching for home 13 MP3 Songs BLUES: Rockin' Blues, COUNTRY: Country Blues Details: We had to take this music back to where it came from so we drove across the USA trying to find somewhere to play.... but we couldn't get a single booking anywhere. Then we pitched up at this old roadhouse in the middle of nowhere.. There was a guy outside sweeping up the yard... "Sure, I can get ya up on that stand tonight" he told us and then he went inside.. to talk to his boss he said, kinda laughin' and mutterin' to himself, leaving us outside 'til the sun went down, cold and shiverin', kickin' up dirt like a pack of old roadhouse dogs
