

# Mp3 Roy Zimmerman - Homeland

[DOWNLOAD HERE](#)

Hilarious satirical songs on post-9/11 politics, Old Hippies, Arnold Schwarzenegger, pedophile priests, etc. 12 MP3 Songs FOLK: Political, SPOKEN WORD: Comedy Details: Tuneful lampoons of the socio-political scene on the home front, post-9-11. Includes a portrait in song of "Jerry Falwell's God," a jab at George Bush's stolen 2000 election ("My TV") and a metaphor for the "Patriot Act" that's hard to get off your shoe. Part of a double-CD release, this collection of twelve biting originals is the domestic partner of "Security."
