Original Jazz Compositions 10 MP3 Songs JAZZ: Acid Jazz, JAZZ: Traditional Jazz Combo Details: "C'monMan" is composer/saxophonist Scott Shetler's ten tune CD of original music featuring Scott on tenor, soprano sax, and bass clarinet. Each one of these primarily jazz/blues instrumental pieces examines a small element of harmony, or change of direction in the melodic line to give the players something to explore. "C'monMan" was recorded live with an organ trio and several larger chamber jazz groups in the three separate sessions.
