

Mp3 Stefano Masera - Canzoni Destate

[DOWNLOAD HERE](#)

summoned songs, awoken songs: no more they sleep in the recessed limbo of my mind, I woke these melodies up, committed to melodic instruments, and had poliphonic instruments accompanying them, I've decided to write simple music, which would sound like the 16 MP3 Songs in this album (53:05) ! Related styles: CLASSICAL: Chamber Music, AVANT GARDE: Classical Avant-Garde People who are interested in Ravi Shankar Philip Glass Wim Mertens should consider this download. Details: Stefano Masera, born in Rovereto (TN) Italy, the same day of Johann Sebastian Bach (!), but 279 years later (21 march 1964), gets his guitar diploma with maximum score under the guidance of Mariano Andreolli at Conservatorio di Riva del Garda (TN). Later he attends perfectioning courses with Leo Brouwer and Oscar Ghiglia and starts studying composition under the guide of Francesco Valdambrini. In 1994 he wins the national contest for teaching in the State Conservatoires of Music. He plays as a soloist, in duo with flute, violin and voice and in other chamber ensembles, but he also conducts choir and instrumental groups. He has composed music for several formations, expecially chamber music, music for solo guitar and didattic music. In 1997 he recorded an album of XX centuy music for guitar and flute, and in 2000 an album of of chamber music of Renato Dionisi. After he recorder only the music he composed.
