Dark experimental acoustic folk. 15 MP3 Songs FOLK: Celtic Folk, ROCK: Acoustic Details: Over the fog mountains, through the Town of Bloodpine, there is a place. A place where the scarecrow points, where the feilds burn because he set them ablaze. The place is Thayer Cabin. A man lives there withs his friends. He didn't always live there though. He's crossed its path many times, but it wasn't until later he found the key. There's snow here all the time, and the hollow corpses of raccoons, and squirrels, and vermen hang from twine. He leaves his flesh at the door, never removes his hat, and he never, everspeaks. Welcome to Thayer Cabin.
