A diverse collection of country styles with great melodies, great playing, fun lyrics and of course, great engineering. Most of all, some fantastic lead singers with very different styles. Fresh, distinct and very original. 14 MP3 Songs COUNTRY: Country Blues, COUNTRY: Country Pop Details: The Berger Brothers, Ted Hemberger on drums and Al Hemberger on bass and vocals, have made a name for themselves recording and playing throughout the Northeast. They own and operate The Loft Recording Studios in Bronxville, New York, hosting such artists as Christina Aguilera, Mandy Moore, Jessica Simpson, Britney Spears, NSYNC, Richard Shindell, John Hammond, Pete Seeger, Debbie Davies, Sue Foley, Deanna Bogart, Procal Harum, Southside Johnny, Dave Koz, and many more. Bob Mayo, keyboards, guitar vocals, has toured and recorded with Peter Frampton, Aerosmith, Foreigner, Robert Plan, Dan Fogelberg, and Hall and Oates. The sound is rounded out by the meaty prowess of guitarist/vocalist/buddy Bob Rasero, former sidekick to the legendary Coco. A consummate Renovator, when Bob is not renovating music in his own studio, he is renovating BUILDINGS. And something he can be seen along the shores of Portland, Maine tracking The Big One. Need a change of view? Call The Renovators! Adjustments to the spirit? Installments of humor? Try The Renovators!! A new attic or front porch? RENOVATORS!!!! They have the tools...They know the styles.
