

Mp3 Truth In Advertising - Inconsequential Background Music

[DOWNLOAD HERE](#)

Lo-fi indie folk punk. 11 MP3 Songs FOLK: Power-folk, POP: Quirky Details: This isn't going to be a platinum album. It's not going to break out on the airwaves. You won't hear it on the radio. And you're going to love your little secret -- Truth in Advertising's Inconsequential Background Music. The sound is lo-fi, the attitude is exuberant, and the music is just a hell of a lot of fun. Turn it on, tune it, and don't drop the disc.
