Power Alternative Country with a Southern Blues Twist 10 MP3 Songs COUNTRY: Country Rock, COUNTRY: Country Blues Details: MUSICAL BIOGRAPHY It all started with a Sears Silvertone guitar and a copy of Learn to Play with Mel Bay. A lot of water has passed under the bridges that have carried Wink Keziah to this present place and time. The new release of Wink's best work to date - Delux Motel - captures all of life's twists and turns, ups and downs, highlights and heartaches in a unique collection of stories for the soul. From the Honky Tonkin' Hill-Billy Saturday Night to the lonesome sound of Why Don't You Come Back Home? , Wink's music covers a wide and diverse genre of influences. Country, blues, rock, and bluegrass meld to create a sound and style that appeals to a vast audience while remaining uniquely...Wink. A professional musician since his teens, Wink and his former band, The Rollin' Tumbleweeds, played and delighted crowds, opening for such artists as Martina McBride, Marty Stuart, Jon Anderson, and many others. Ever continuing to evolve as singer/songwriter/producer, Wink now delivers a powerhouse performance with great musicians Jim Brock, Rick Blackwell, Rusty Barkley, Joe Smith, Robin Rogers, Glen Alexander, Jimmy "Grubb" Thornburg, and George "Scoot" Pittman. Wink and Delux Motel are poised to capture a diverse audience of car drivin' singers, DJs, music enthusiasts, and other talented musicians open to a new era of country music. And a repertoire of over 250 original songs guarantees that there's more to come. Check in, crank it up, and ENJOY!
