Traditional -and original - Celtic music featuring exquisite harmony vocals and inspired fingerstyle guitar. Wistful ballads and lusty ditties with a RenFaire twist. 11 MP3 Songs WORLD: Celtic, FOLK: Traditional Folk Details: They may wear 16th century clothing when they perform, but there's nothing old fashioned about the musical duo called Wyldefyre. The music- a well thought out blend of traditional "Celtic" songs from England, Scotland, Ireland and Wales along with original material- is a mix of period ballads, sea shantys and up-tempo "drinking songs" that appeals to modern audiences and renaissance faire fans alike. Wyldefyre began, appropriately enough, on St. Patrick's Day 2004 when two friends, attending a performance by a popular renaissance faire act, discovered they shared common musical backgrounds and tastes. Since January 2005, Mark and Edie have performed at medieval, renaissance and pirate faires and festivals throughout Florida and have been selling CDs at their shows, on their website and through online outlets including here on CD Baby. Their music can be heard on internet radio stations such as Renradio (renradio.com). Upcoming appearances include: the Sarasota Medieval Faire, Pirates of the Intracoastal Festival, Camelot Days, Florida Pirate Festival and the Fort Myers Medieval Faire.
