translate Your Web Site Instantly! Google has created a fantastic set of tools to allow you to translate any web page from one language to another. However, for most, it is a bit difficult to integrate into your existing site. PAGE TRANSLATOR does all the work for you! All you have to do is enter the URL that you wish to translate, tell what language it is in, and what language you want it translated to. PAGE TRANSLATOR will then automatically create the web page for you! Not just the script, but will actually create all the html needed. Just enter a filename and boom, you're done! The internet has truly become a global community. The World Wide Web really is just that. With sooo many countries involved, it has opened the doors to those that sell products on the internet to new customers everywhere. However, not everyone speaks the same language and if your site is only in english, you may be losing more customers than you realize. PAGE TRANSLATOR has come to the rescue to help solve that problem using the tools put out by Google. The interface helps you to create web pages that can be translated into various languages with the click of a button. If you have to do is select the language that the page is currently written in, then select the language you want it translated to. Hit the Create & Save button and it

will actually create the web page for you automatically. No need to cut and paste scripts, just enter the filename and you're done. If you make the URL used, that of your home page, just create new links on it to the new translate pages, and you can have your entire website translated into multiple languages. Look at the top of this page to see an example. You can translate from: * English To Spanish * English To French * English To German * English To Italian * English To Portuguese * Spanish To English * Spanish To French * Spanish To German * Spanish To Italian * Spanish To Portuguese * French To English * French To Spanish * French To German * French To Italian * French To Portuguese * German To English * German To Spanish * German To French * German To Italian * German To Portuguese * Italian To English * Italian To Spanish * Italian To French * Italian To German * Italian To Portuguese * Portuguese To English * Portuguese To Spanish * Portuguese To French * Portuguese To German * Portuguese To Italian As Google updates their language tools to include more, its as easy as changing two characters on the page. We will update Page Translator to include these new languages and you can get the update absolutely FREE. Most important, when you buy Page Translator within the next 24 hours, you are also getting the FULL Master ReSell Rights. This means you can place it on your web site, sell it, and You keep 100 of the profits! That's right, 100. We even include a copy of this web page along with all the graphics that you can use right on your own web site. Tags: mrr,
