Monica has it all, a handsome entrepreneur for a husband, two adorable children, a big house in the suburbs, and a career as the Human Resources Manager at one of the largest insurance firms. Even in a tough economy, Monica lives the American dream. Then, one day, she comes home early from a business trip and finds out her husband is sleeping with another woman. After years of standing in her husband's shadow, Monica uses his betrayal to jumpstart the life she always yearned for. In the hunt to find herself, Monica starts dating men on adult dating websites and working as an online cam girl. The excitement and allure of her new-found freedom has her living a double life. She is a career woman by day and vixen in her nightlife. Will Monica be able to keep her secret? Or, will her two worlds collide to bring her secret to life? Omegia Keeys gives you a little twist in this novel. Instead of sticking with her main character, Erika, from her previous novels, she takes you into the life of one of her online models
