# Do-it-yourself Best Seller With Rights

[DOWNLOAD HERE](#)

How To Hack Your Way Into The Amazon Best Seller List This is a 10 part video course built by my biz partner, Justin Popovic and Brad Grosse. In this course, we revisit the entire experience of my best selling book launch, combine it with my experience help my wife launch not 1 but 2 popular cook books AND the self publishing success of my elite level consulting clients. What you will learn: How to properly define your audience and write a book that caters to their exact dreams and desires The real money to be made in a book launch is NOT book sales. It is something else completely The one thing you must know when it comes to branding you and your book on social media sites How to generate pre-launch buzz and get people anxious about buying How to quickly and easily find all the content you need for your first book Understanding the various styles of book and knowing ahead of time which one you want to fit in with The real secret to naming your book to guarantee it gets noticed 5 cover design secrets that will ABSOLUTELY make or break your books success Everything you need to know about building a large and engaged pre-launch list The sure fire way to waste money and effort on bad press releases and what

to do instead A critical step to ensure you dont sabotage your own success What you get: This product contains 10 videos and over 120 minutes worth of content. Each video also excludes a PDF extraction of the key points covered in each lesson. Whether you, or someone you know, wants to publish a book I guarantee that this video course will provide a ton of aha moments and true insights into the self publishing world. A few months ago I would not have been able to share this product with you because I hadnt DONE any of it yet. But now that I have, I am so excited to share these insights and I am confident you will get MORE than your moneys worth with this product.
