

Domain Parking Treasure

Thanks for purchase

All techniques in this e-book need traffics from your existing sites/blogs and other ones need traffics from Yahoo!answer*

If you using old way to post answer on yahoo!Answer you need software to help your links on more page on yahoo!

First to remember before you join in domain parking, you must need and have domains with (HPK) high paying keywords include.

For example: loan, insurance, mortgage.

Domain example: LoanAlaska.com, LoanAtlanta.com, LoanTexas.com

If you have an existing account in domain parking networks min 3 months as a member, you can buy domain with extension .info, .net or .org

But if you are a new member I recommend to using .com domain only
