Facebook Games Apps RESALE RIGHTS INCLUDED! Facebook games are either created by big companies with massive budget to pay their in-house game developers, designers, and programmers or cheaply outsourced by big time entrepreneurs to workers in Russia, India, or the Philippines but whatever the case may be, each game would cost from as low as \$1,000 to as much as millions of US dollars. Per game. Today, Ebooks Heaven level the playing field even to home-based businesses or single proprietors through Tradebits store. Before, only big companies like Zynga were the only ones benefiting from Facebooks games and applications. Its about time that the little guys strike back and make money by offering free games and earn from virtual goods and online advertising, says CEO of Ebooks Heaven. Its a global knowledge that Facebook games have been very addictive to online users and earn passive income for their owners Asked about what is included in FB Games Wholesaler, were proud to say this: This package offers not just one, not two, but thirty (30) game apps that can easily be installed with the included FB Games Installation Guide in PDF format (viewable on both Windows and Mac). All game apps are using the same easy-to-follow installation steps. To reiterate, included in the FB Games

Wholesaler package are: * Thirty (30) ready-made, ready-to-install Flash game apps (PHP/HTML) * FB Games Installation Guide (PDF) with graphical instructions We also made this very affordable for anyone at just a few bucks for a very limited time. The entire package is just \$8(see below) but will be going up soon after the first 50 purchasers. The Facebook market is believed as a huge market which is not easily saturated so even if 100 people own the same game apps, they can easily grab a big slice of the Facebook pie. To grab this entire FB Games Wholesaler package from Ebooks Heaven Tradebit store for a one-time low investment of... \$4.99!!! This could be the easiest decision any smart entrepreneur would make. For a this low price, this is a no-brainer offer. You will also have a Resell Rights license so you can resell the 30 game apps to your customers (as personal use only) and keep 100 of the profits.
