

International Research Handbook On Values Education And Student Wellbeing

[DOWNLOAD HERE](#)

Informed by the most up-to-date research from around the world, as well as examples of good practice, this handbook analyzes values education in the context of a range of school-based measures associated with student wellbeing. These include social, emotional, moral and spiritual growth elements that seem to be present where intellectual advancement and academic achievement are being maximized. This text comes as values education widens in scope from being concerned with morality, ethics, civics and citizenship to a broader definition synonymous with a holistic approach to education in general. This expanded purview is frequently described as pedagogy relating to values and wellbeing . EAN/ISBN : 9789048186754 Publisher(s): Springer Netherlands, Springer Science & Business Media Discussed keywords: Student, Werteerziehung Format: ePub/PDF Author(s): Lovat, Terence - Toomey, Ron - Clement, Neville
