

Law, Legislation And Liberty: A New Statement Of The Liberal Principles Of Justice And Political Economy - F. A. Hayek

[DOWNLOAD HERE](#)

With a new foreword by Paul Kelly 'I regard Hayek's work as a new opening of the most fundamental debate in the field of political philosophy' - Sir Karl Popper 'This promises to be the crowning work of a scholar who has devoted a lifetime to thinking? about society and its values. The entire work must surely amount to an immense contribution to social and legal philosophy' - Philosophical Studies Law, Legislation and Liberty is Hayek's major statement of political philosophy and one of the most ambitious yet subtle defences of a free market society ever written. A robust defence of individual liberty, it is also crucial for understanding Hayek's influential views concerning the role of the state: far from being an innocent bystander, he argues that the state has an important role to play in defending the norms and practices of an ordered and free society. His arguments had a profound influence on the policies of Thatcher in the 1980s and resonate today in visions of the 'Big Society'. First published in three separate volumes, this Routledge Classics edition makes one of his most important books available in a single volume. Essential reading for understanding the background to the recent world economic turmoil and financial crisis, it also foreshadows the subsequent heated debate about regulation and political governance if such disasters are to be avoided in the future. Author: Hayek, F. A. Publisher: Routledge Illustration: N Language: ENG Title: Law, Legislation and Liberty: A new statement of the liberal principles of justice and political economy Pages: 00584 (Encrypted EPUB) / 00584 (Encrypted PDF) On Sale: 2012-09-10 SKU-13/ISBN: 9780415522298 Category: Business & Economics : General Category: Philosophy : Political
