instrumental guitar rock with movie soundtrack stylings and melodoc and progressive ideas. 10 MP3 Songs ROCK: Instrumental Rock, ROCK: Progressive Rock Details: The 2000 millennium release of the Byron Nemeth ten song, all instrumental, debut solo CD is a musical opus of guitar compositions in a wide pallet of sounds that can only be described as "impressionist music", sort of like crossing Steve Vai guitar stylings with a Monet painting! 2000 features a total freeform of musical ideas that is living music as pure art. The progressive rock CD was written, performed, produced and programmed by Nemeth at his Pacifica Recording Studios with total flying fader automation control. 2000 - Instrumental guitar with a strong movie soundtrack influence mixed with experimental song stylings, catchy hooks, and passionate ballads. Instrumental Guitar (Electric (Heavy)/Progressive/Rock), total running time, 48:54
