Details: The Classical Child Series is a delightfully unique presentation of classical music made especially with kids in mind...We presently offer six different CD titles that invite the entire family to enjoy the best of the masters. The Classical Child Series was arranged to suit the sensibilities of newborns and young children; yet has also found its way into the hearts of parents, grandparents teachers. THE CLASSICAL CHILD AT THE BALLET: THE CLASSICAL CHILD AT THE BALLET is an irresistible collection of well-loved classics that will make a child dance with delight. Get ready for impromptu performances with your children. The magic of Dance of the Sugarplum Fairy, the spirited Sabre Dance and the lilt of The Waltz of the Doll, and other classics will charm and enchant the imagination of growing dancers. Care was taken to keep many of the rich original orchestral textures, while adding unusually sparkling and percussive sounds that will inspire children to create their own ballet. *Gold Winner of the NAPPA Awards.
