Christian Instrumental Smooth Jazz 10 MP3 Songs GOSPEL: Contemporary Gospel, JAZZ: Smooth Jazz  
Details: Dudley is the staple artist for ICM Records. He produces, arrange and write most of his material. He experiments with all type of gospel music genres, adding his own flavor to each style. From jazz to traditional and contemporary he keeps the music alive and soulful. His fresh apporach to music composition is being welcome in churches and auditoriums around the country. When you listen to this artist, you will see why. Jazz has been a secret paasion for Dudley since the days of college life where he played guitar and upright bass for the university jazz ensemble. Now to bring the art form into the Christian arena is exciting for him. His music is purely jazz; and his themes are purely Christian. Each musical piece conveys a certain conviction of Dudley's faith; and his never ending quest to give Glory to God for all things good. You get a sinse of storytelling with each song. The music speaks clearly the message of inspiration, hope and love.
