A Collection of original Pure Power POP TUNES; Some with the flavor of the Islands, written by Hal L. Singer and Georganna Barry-Singer 14 MP3 Songs in this album (56:08) ! Related styles: POP: Pop/Rock, WORLD: Island People who are interested in Billy Joel Tom Petty The Beatles should consider this download. Details: "It's A Jungle Out There!!!" True enough; one of the songs that took the longest to complete. I had one verse and the chorus since the late 1970's, and just finished three more verses and a bridge. But as the theme for this album....it really works!! most of the songs on the album deal with lifes heartbreaks, usually at the hands of others...and, or,have the rythms of the jungle or the islands. This album is released as Georgie and I celebrate our affiliation with EOS, a sister company to Applied Media Technologies Corporation out of Florida. We look forward to our music receiving world-wide exposure. Please listen to the song clips. Thank You Hal L. Singer Las Vegas Nevada
