Electronic Pop-Rock from Switzerland 15 MP3 Songs POP: with Electronic Production, ROCK: Psychedelic Details: HANOI ALIVE Electronic Pop-Rock from Switzerland HANOI ALIVE - NICO - The Demo Versions The album "Nico..." contains 15 demo tracks from pop to rock mixed with electronic music... HANOI ALIVE is a two man - home studio project wich reflects our own love for the music we hear. This is our second album. Its how we think pop music should sound in 2006... Philip Summers, alias Analog Elevator writes the music and lyrics. He provides the vocals and plays the instruments on all tracks. Adrian Cozzatti produced "Nico..." amd was also mainly responsible for the arrangements. His taste in music is wide and covers all styles. What interests him most is the emotion a song can express. You can hear the inspiration he takes from his huge collection of vinyl records throughout HANOI ALIVE. In fact...the whole CD was recorded and produced on a PC in our living room... BUT NOW...LET THE MUSIC DO THE TALKING...
