

Mp3 Hoover Manoeuvres - Eponymous

[DOWNLOAD HERE](#)

Hoover Manoeuvres blend catchy songs with infectious grooves. Electronica meets Pop with a smattering of dance, funk and Rock. Taking influences from the 80's and twisting them into something fresh, new and inspiring. Drawing on a fine stable of thorou 13 MP3 Songs POP: with Electronic Production, ELECTRONIC: Pop Crossover Details: A new groove is taking shape a distinctive blend of ambient electro-funk. A collaboration between Julius Aitken (previously of house/drum bass project, Class A) and Lowrider bassist, James Carroll, with vocals and lyrics from Aimee Thackray, Emma Burgess and Simon Twitchin (Horace X) and live percussion from Christopher Gavin (Rhythm Xpress). A combination of dance energy and live instrumentation, drawing on musical influences as diverse as dance, world and rock. Experiences from almost all musical spheres - a new slant on contemporary influences, with a twist. Programming skills and studio experience. Infectious basslines. Low frequency special effects and experimentation with live vocals, effects and sampling. Real hand percussion adding weight, tone and contrast to the electronic breaks. The music finding its own ultimate direction. The band has a solid and growing fan base and attracts a lively crowd whatever the venue. HOOVER MANOEUVRES
