As a retired teacher and professional musician, I have developed an instructional cd, which teaches the basic fundamentals of drumming (rudiments), which illustrates speed, accuracy, technique and durability. Ideal for sighted and visually impaired drummers. 11 MP3 Songs KIDS/FAMILY: Kid Friendly, WORLD: World Traditions Details: Nominated and qualified for the Georgia Governor's Honors Program in high school, based on rudiments played on the snare drum. A.S. Degree: Liberal Arts University System of Washington at Tacoma Community College-Tacoma, Washington. B.S Degree: Mental Retardation and K-12 Columbus State University-Columbus, Georgia. Snare drum percussionist for concert band. Master's Degree: Mental Retardation Columbus State University. Air Force Drum and Bugle Core Amarillo A.F. Base Texas. Drummer for opening acts for: The Commodores, Earth, Wind and Fire, The O'Jays. Back up Drummer for Peggy Scott and JoJo Benson, Clarence Carter. Appeared on numerous shows with James and Bobby Purifier. Played for a host of other Groups to include: Bobby and The Inn Keepers, The Jamming Jammers, The Sensations, The Swinging Kings, The Rams, Ambience, Mateus and I'm currently with The Lou Vallee Trio and The St. John AME mass choir. Recently placed in the archives of The Georgia Music Hall of Fame, located in Macon, Georgia. These are just to name a few of my numerous academic and musical experiences as a percussionist. The cd was inspired because of my love for rudiments and a hope of giving back. The cd narrates and demonstrates each rudiment from a very slow to a very fast and back to a very slow again. Each rudiment is on its own individual track. The target groups are beginning and intermediate drummers, although some advanced drummers may benefit from this instructional tool.
