The new international appeal of Hip-Hop with music ranging from reggae and jungle to the dirty grit of the dirty south. From Africa to Asia and back to the Americas with contagious melodies and addictive grooves. 11 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: East Coast Details: JOY Female African Rapper Hip-Hop / Dancehall / R&B The new international appeal of hip-hop has hit home. The commercial sound with an American hip-hop look are sounds of JOY. Not sounds of joy but as in the Artist. Joy is a 19 year old native of Benuea State in North Nigeria but has made her home for hip-hop in the United States. With music ranging from reggae and jungle to the dirty grit of the dirty south, she will hit from Africa to Asia back to the Americas with contagious melodies and addictive grooves. "My goal is to be the first successful African Hip-Hop Artist in the United States," says Joy. Joy has opened for Fabulous, Sean Paul, 50 Cents, Big Moe, Papa Rue and many more. This is definitely new. Bringing freshness and real vibe with a new flavor for a new generation.
