Details: The long awaited second CD of original material by Lisa Yvonne Ferraro is fast becoming a must own for all New Thought music lovers. "Sing Your Song" is lush, super soulfull and heart opening. Lisa's voice is "like butta" and has a warmth about it that is unique to Lisa. Each song is super charged with a message of truth and pure love. Like her first CD, "Balance", Lisa finds the common thread of love and inspiration within us all and delivers a performance that is captivating and sure to stimulate the soul.

"Everybody's Got a Smile" was written for the ABC-TV hit reality TV show, Wife Swap and she performed it live for the episode which aired last September. It's lots of fun and the guitar work by Dale Cinski is masterful indeed.
