an acoustic, alternative rock sound with a dash of experimental flavor that is the love child of Radiohead and Beck. 14 MP3 Songs ROCK: Acoustic, FOLK: Modern Folk Details: In an ever-changing attempt to always go the other way of what is "hip" in the San Diego muse-ACK! scene, Mango fuse acoustic guitar, various electric guitar flavors, drum-bass combos and other worldly noises to create a sound that challenges new ears. There has to be a new area of the "envelope" that needs pushing. One needs to find the door to the "box", exit to the outside and start thinking, thinking about some Mango juice! highlite-licensing their song "?" for an episode of the WB's "Felicity" tv show. check out Mango's other cd "Faux Music/Shy Music" mangonoise.com thanks
