POP: with Live-band Production, ROCK: Modern Rock Details: Various TV appearances and two self-produced albums 'My Difference' and Margaux With An X have generated a host of accolades for UK based singer/songwriter/guitarist Margaux. Described as a 'rare jewel' with a 'voice oozing attitude', Margaux has an uncanny knack for captivating an audience with her original material. She has been actively promoting her music on the US and UK gig circuit, notably performing at the Rock Festival Guilfest alongside the likes of Alice Cooper and has recently completed a New York City tour at renowned venues including The Bitter End and CB's Gallery. Margaux's newly released album With An X is comprised of a mixture of catchy, sexy and energetic pop/rock/dance/electro songs tinged with raw emotion, accompanied by driving rhythmic undercurrents and punctuated by powerful guitar riffs. Recorded at Rachalans Studios, Margaux's recording studio in Southern France, the album is capped off by her unique vocals, which TV presenter Damian Thomas called a voice that I could listen to until my dying day. A wider audience is beginning to hear the music as Around and About, a television program produced on the national UK channel ITV1 and Art Fein's Poker Party a US cable talk show, recently showcased Margaux as their featured artist.
