

Mp3 Matrix - The War Is Over

[DOWNLOAD HERE](#)

A cross between EBM and electro-Industrial. very dancy and catchy, yet dark. Male vocals with some female backing vocals. Includes a remix by Terminal choice, and production by Assemblage 23. Tracks range from relentlessly aggressive dance floor assaults 15 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Dance Details: Featuring John Sepveda on vocals/lyrics and the majority of the programming, Luis Brito; writing and production, and Gary Suarez lyrics. In addition Ania Kozlowska supports the band with backing vocals and occasional live keys. Live Matrix has had additional synth players Steve Coates and Steve Ferraro! Matrix is influenced by bands such as Depeche Mode, X-Marks the Pedwalk and Kraftwerk. Matrix is danceable, and catchy..... aggressive yet melodic....The whole time retaining an emphasis on good song writing and memorable tunes. Mixing equal parts of Trance, EBM and Synthpop. Matrix has recieved rave reviews and high praise for their exciting live show, which has consisted of opening performances for such bands as Beborn Beton, Terminal Choice, Decoded Feedback, SMP, Individual Totem, Android Lust and The Aggression. In 1999 Matrix Signed with German record label "Out-Of-Line Records" to release "Dreams Are Real." The band followed this with a successful tour of Germany and the US. The release of the second album in 2001 "The War is Over" won much critical acclaim, and was well received. "The War is Over" is Matrix's best album to date. A must buy for all fans of dark electro. Includes a remix by Terminal Choice, and production by Assemblage 23!!
