Max Power takes grunge rock and adds their own diverse influences, including funk/jam-bands, prog-rock, and blues. 7 MP3 Songs ROCK: Modern Rock, ROCK: 90's Rock Details: Max Power: The Band takes the classic grunge/alternative rock sound of bands like Pearl Jam, Alice in Chains, and Soundgarden, then adds their own varied influences such as prog-rock, metal, funk-jam bands, etc. They are most recently compared to bands like Fuel or Audioslave. Max Power: The Band has been together since 2001 with the current lineup - Matt O'Gara (guitar/vocals), Nick Elliott (bass), Travis Sowden (vocals), and John Brower (drums). In their relatively short music career, they have toured across the midwest and California, won the Iowa State Fair Battle of the Bands in 2003 (based on audience vote at listening stations and their performance), and have had songs place on Top Ten lists in both Rock and Midwest categories on mp3and Broadjam.com. Their songs have been heard on several radio stations in Iowa, and they have even had songs placed on TV, including the Second Chance series on TLC.
