Question: What took three years to make, with the generous help of many a musical dignitary . . . not to mention real drums too? And the answer is . . . Mitch Friedman's GAME SHOW TEETH! His fourth album, but only the third one for adults (following 2005's successful kids' concept album PURPLE BURT.) Special guest stars include Andy Partridge of XTC, Dave Gregory (formerly of XTC), R. Stevie Moore, Joe McGinty (of NYC's Loser's Lounge fame), as well as some ridiculously talented but criminally unknown friends such as Anne D. Bernstein, Jim Smart, Andrea Perry, John Dunbar, Daryl Bean, and Todd Bernhardt. It's almost rock -- stand back to avoid the noise and the glare coming off his insincere smile.
