Chris Brown should consider this download. Details: MONEY BOI\$ have arrived now the game will never be the same. The Group consist of King, Baby G, Young Dou, Big Slick, C.H. and Sunland

Entertainment's 1st Lady, Ashley. Six young men, plus one young lady with one thing in common, STACKING MONEY! Lil Baby G and King are currently doing time. The trials and tribulations of a young

black man growing up in a violent world are on full display. Sometimes we predict are own future,

unknowingly. Songs like Murder and Fantasy Love are just an example. As I type these words, King is

facing a murder charge. It's real out here. This is truly based on a true story, unfortunately. FREE KING

BABY G!!!!
