This is Conscious party music from a Crying Lion in Babylon. 24 MP3 Songs SPOKEN WORD: With Music, HIP-HOP/RAP: Political Rap Details: If you believe in Social Justice on a global scale, you must own this CD. It is filled with explosive lyrics and ancestral wisdom. Its is clearly entertainment for your attainment. It is music of protest, music of hope, and music of social justice. It promotes a consciousness and awareness that challenges current day environmental and spiritual pollutions; the dangers of war, the abuse of human rights, and the plight of the impoverished. It is definitely a positive alternative to the campaign of misinformation by our mainstream media sources. However, this music is not for the tender at heart and those who are hiding in the delusion of our sick society. This artist breaks it down in straight no chaser terms with lyrics that delivers like a barking dog of reality on today's crucial issues. The artist offers his music as wood for the fire, and oil for the lamp that will help us bring peace, justice and connectivity amongst all our relations. Your contributions to our music will help take back our mind from the masters of disasters who continues to destroy this beautiful garden (earth) and promote divisions. There is no time to waste.. The planet is in crisis and a new set of priorities are mandatory. Please enjoy and pass the word along.... The Nappy Dread Sorcerer... Visit our web site at Blackstream Media.com
